COMMUNICATIONS, BINUS UNIVERSITY

Summary

I'm a creative producer and digital communication student with a strong background in video production, cinematography, and design. I enjoy turning ideas into engaging visual stories whether through editing, branding, or managing full-scale content projects that help brands connect better with their audiences. I've also led various creative projects, building experience in storytelling, campaign development, and creative leadership.

EXPERIENCE

SUNIB PRODUCTION HOUSE - Malang, Indonesia

Producer & Creative Video Editor – Seasonal, Hybrid

Sep 2024 – Present · 11 mos.

- Designed and animated TV program bumpers (in and out) by developing creative concepts aligned with the program's theme, creating visual assets using Adobe Photoshop, and producing dynamic motion graphics with DaVinci Resolve through collaborative ideation and research.
- Facilitated clear team communication, provided equipment guidance on switcher, camera, and production workflows, and coordinated floor direction teams with precision as a Production Director during live productions.

GRAND CAKRA HOTEL – Malang, Indonesia

Executive Editor – Seasonal, Hybrid

Mar 2025 – Jun 2025 · 4 mos.

- Produced and shot a 30-second ad titled "Forevermore", handling camera, lighting, and directing on set.
- Created a food catalogue using professional photography, edited via Lightroom and Photoshop.
- Produced 100+ Instagram content for Grand Cakra Hotel through effective teamwork and close collaboration with the hotel throughout all production phases.
